Dear Heritage Baptist Church

Thank you for the money you sent us for a replacement pickup truck. We were able to purchase the truck from an individual who was immigrating, and we got a really good deal. This is a great asset to our ministry among the village church plants. The roads and tracks in the rural areas are rough and we needed an off-road vehicle that could handle the conditions. We will also be able to take loads of kids and their stuff to camp and there are construction ministry opportunities when the truck will be a big help. We appreciate your sacrifice and kindness to us. Thank you also for your prayers and monthly support.

We are also grateful for those who have called Nancy's parents (Ray & Priscilla LaBonte) to check on them and for helping with things around their house. Being so far away is made easier when we know that their church family is caring for them.

In Christ,
