

# November 1, 2020

Next Sunday, November 8, we plan to serve **Communion** during Worship. We will be using prepackaged elements that can be picked up upon entering the Worship Center.

Our annual **Thanksgiving Celebration** will be November 15 following morning worship in the FLC. We will offer modified, socially distanced seating throughout the Gymnasium, Stadium, & Hangar rooms. We will serve individually packaged Publix meals. Register on Elexio- \$20 per family or \$5 per individual. Homebound delivery available, registration required.

Plan to come to our annual time of **praise and thanksgiving**, Wednesday, November 27 at 6:30pm in the FLC Stadium. No childcare provided.

We would love for your family to participate in holiday outreach opportunities here at Heritage!

**Operation Christmas Child:** pack a shoe box gift to bless a child in need around the world. See the table in the foyer.

**Fill-a-Bag:** groceries are distributed to needy families through Leverage Ministries. You'll find empty bags on your vehicle on November 15 and you may return them no later than November 22.

Heritage has a **part-time custodial** position available immediately at 14 hours per week. Please contact Chris Davison at 863-899-8997 for details.
