...in times of crisis

Thanks to the generosity of many, **over \$15,000** has been given to the Nicaragua Hurricane Relief fund. We and our national partners have worked together to send food, clothing, hygiene kits, household items, hammocks, etc. to the people who suffered 2 back-to-back hurricanes.

Lord willing, another load will be going out this week. **Please pray for safety** in travel for those transporting the aid. They will be taking it to a very remote location on the east coast where they have not received help from other sources. They also hope to help in another area with the vision of planting a new church in that area. **Please pray for God to be at work** in the hearts of people during this time.

...to ongoing projects

We are so grateful for long-term partnerships we have been blessed with. Many of you have been with us for 5, 10, even 15 years, and have faithfully given to **Centro ABEM** along the way. Some have made donations. Some have participated in short term teams. Others have sponsored campers and churches to use the ABWE Ministry Center for camps, retreats, outreach events, etc.

Each of these has an impact on the local church. **Currently, our goal is to offer a "Church Day"** to 50 local churches with whom we partner so they can bring a group to Centro ABEM for the day. Yesterday, a group of 60 people came and held a baptism and spent the rest of the day enjoying the pool and fellowship with each other. **\$250 sponsors a church** for a day.

...to our family personally

We can't adequately express how much your special gifts, prayers, and notes of encouragement mean to us. We are so grateful for many friendships formed and your encouragement to us and to Peter and Emma. We are able to travel to be with our families over Christmas thanks to many of you. We are so blessed to have each of you partnering with us in so many ways. Thank you.

For His glory,
Bruce and Laura Edgar
