

# Word of Life

## Local Church Ministries

November 22, 2020

The Gospel went out in Yuba City California at our 2nd Annual City Students Turkey Bowl. It was a flag football tournament with students from Middle School to College age. The competition was awesome. The players were thrilled to compete. More than 200 people heard the Gospel preached by Chris Finchum, about 120 of them were students. We are rejoicing that 37 of them asked Jesus Christ to save their souls and to give them a new life.

Several of them that said Yes to the Gospel were walk ups who came to the park and joined a team. Some others of those who made decisions for Christ have been on our prayer list for a while.

Thank you for sacrificing to help us reach young people with the Gospel.

Please pray that we can continue to find ways to get the Gospel out to young people during these chaotic times.

Thank you for praying,

On the Victory Side,

Steve & Susan
