

Dear Heritage family,

We were so moved by your expression of love towards us last week! You have always been a great source of encouragement to us over these many years! You have stood with us through the times of rejoicing and through times of difficulties! As we have shared many times this past year since our return, we don't know anyone who is as blessed as we have been! It has been our joy to serve our Lord! Thank you for your financial gifts, it will certainly help with the costs of our settling here in Lakeland. May the Lord continue to greatly bless and use the mission teams of Heritage!

Love, Doug and Sharon Kreeger
