

Greetings from Charlestown, NH! Last week we left Sebring and drove 1500 miles over four days. We pulled our 28 foot RV and stopped each night in a campground along the way. Some days were easy and stress free and other days were longer and not so easy as we navigated around Washington DC, Baltimore and drove through parts of NJ, NY and Conn. We are thankful for God's help and protection and praise His name for no accidents along the way.

We are parked in a beautiful spot on top of a mountain at the home of FBM missionaries Dan and Marsha Haynes. We along with 3 other couples have come to encourage Dan and Marsha and do some work on their two story home. As we write this update, some of the cedar siding has been removed and new pieces installed. The entire house has been pressure washed and the back side has a new coat of paint. Flower gardens have been weeded and cleaned out. Potted plants have been planted. Electrical wiring is being installed in the garage. Meals have been prepared and served. Laundry has been done. We enjoyed celebrating the birthday of 11 year old Ruby (one of Dan and Marsha's granddaughters) and we enjoyed worship Sunday morning at Dan and Marsha's church. Sunday afternoon we enjoyed a Haynes family picnic on Lake Crescent. The food was great and the fellowship was sweet. We are blessed!

Work will continue through Saturday. We have much we hope to accomplish. Two of our couples will be leaving us Saturday and the rest of us will stay around till early next week to finish up some odds and ends. Then we will begin our four day drive back to Florida.

Pray for safety as we work. Pray for wisdom in knowing how to prioritize the tasks that need to be accomplished. Pray for dry weather. The last few days have been beautiful but it has started raining this afternoon. It is hard to paint the outside of a house in the rain. Pray that as we work together, as we relax around the table and sometimes the fire pit in the evenings, that our conversations will be filled with praise and encouragement. God has given each one of us a story that reflects His goodness and provision in our lives. May our story be an encouragement to others.

We are attaching some pictures so that you can see some of the work! Thank you for praying!
