## Pray for our trip

---

We would appreciate prayer for our trip. There always are challenges getting things wrapped up and for the Covid tests as well as flights and connections.

## Pray for adjustments

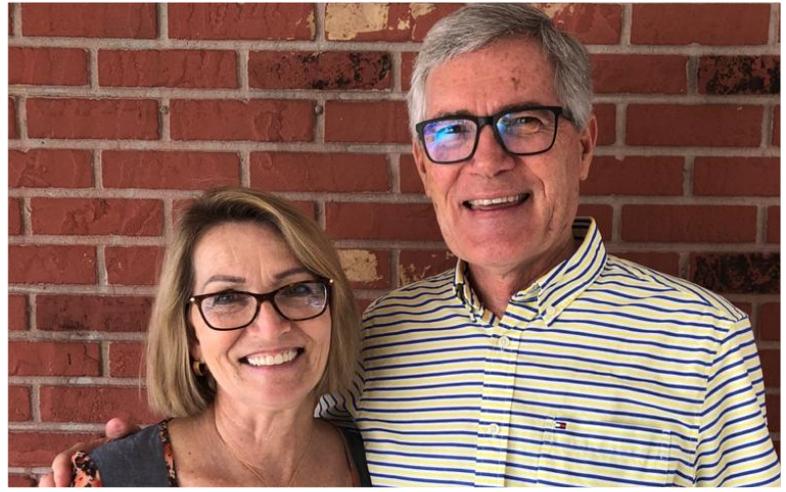

---

Pray for God's grace in our getting back into the swing of ministry after being gone. There are a number of red tape things to care for in finalizing church documents that will need some immediate attention and patience. We wish to quickly be in tune to the church's needs in our ministry to the congregation.

## Pray for Brazil

---

Brazil is still lagging behind the USA in reopening things, but seems to be moving ahead. Vaccinations are taking place at a better rate now, so this should help overall. Spiritually, we are concerned for some who seem to have cooled off.

## Furlough is ending Aug. 3rd

Greetings to all our prayer warriors and partners of ABWE's ministry to the Brazilian people in Pernambuco's Outback region. We feel privileged to minister in that part of Brazil and are looking forward to getting back there. We fly out of Tampa FL. on the 3rd of August and get in to Recife on the 4th.

We have the wedding of our nephew Andrew Smith on the 6th in Recife. Roger gets to perform the ceremony. Roger's brother Phil and wife Bonnie will be there too as well as Andrew's two brothers and a sister-in-law and two Smith grandchildren. Our son Mike and family are also going. It should be a fun time.

We plan to get to Arcoverde after that weekend in Recife. We sure wish we could have seen more of you but the pandemic put limitations on us all. I guess we will look back on this time with a little more understanding of God's purposes.

God bless each of you, *Love, Roger and Marcy Smith*
