**Dear Family and Friends in Christ:**

**“Thus saith the Lord, learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them, - Jeremiah 10:2. All is well when we remember constantly that God is in control.**

**Praise the Lord for souls saved. A faithful couple in our church, Byron and Diana asked us to visit her parents and his father to talk about their soul. It was wonderful to lead Diana's mother to the Lord and Byron's father who has Parkinson's disease, also received the Lord. God is good. Byron's dad, in spite of his frail condition wanted to get baptized; he can hardly speak and his health is rapidly deteriorating, but his countenance is full of hope and peace now. Praise God.**

**Bro. Sergio has been praying for his family as many of us do. Thank God for answering prayers. Jefferson, one of Sergio's sons received the Lord and was baptized. He is now reading God's Word every day.**

**Having the ministry of a deaf school has been a great blessing and a big challenge. Not too long ago one of our students age 17 ran away from her home. We prayed for the Lord to touch her heart. One day and a half later, she showed up at our house, crying in repentance. “I did wrong” she said. My wife hugged her and prayed with her, then she called her parents. Thank God for His protection and conviction. Please pray for our students and their parents.**

**Tyrone is a high school deaf student; his dad is blind due to sugar diabetes; he used to drive a city bus and can not work now. We are trying to help Tyrone as much as we can. Pray that Tyrone will make right decisions.**

**Thank the Lord, He is letting us help a fairly new church to start a deaf ministry in Ambato, We go there twice a month. Pastor Jean Carlos and his people are thrilled to learn Sign Language. It is always exciting to start a new work among deaf people specially when pastors get involved.**

**Thank you for having a part in the work here through praying and giving. May God be glorified in all we do. Please keep it up.**
