
FURLOUGH WRAP-UP

These few months in the US have felt long and short all at the same time. We are so thankful for the time we have had to spend with family and friends while keeping a very busy schedule of visiting supporting churches and individuals.

We are grateful for the way God has provided for all of our needs along the way. Thank you for praying for us!

In May, Bruce had the opportunity to attend the International Theological Educators Summit in Harrisburg at ABWE IHQ. It was a great time of collaboration and learning.

While there, he and Laura met with many department heads to learn of the resources they provide to regional directors. It was such an encouragement to both of us!

PRAYER REQUESTS/PRAISES:

- **Praise** for many miles safely traveled
 - **Praise** for **provision for jobs** and stability for both Peter & Emma
 - **Praise** for many who are joining us to **pray for missions at 9:38am**
 - **& 9:38pm**
-
- **Please pray** for us as we **prepare for our return on June 18.**
 - **Please pray** for **smooth travel on the 18th.** It's much more complicated than it used to be!
 - **Please pray** as we resume travel to visit pastors as soon as we return.

For His glory, Bruce and Laura Edgar
