Word of Life Youth Ministries **UPDATE**

Reaching Youth With The Gospel of Jesus Christ

## What Have We Been Up To?

On August 20th, the Southeast team of missionaries held our annual Leadership Development Conference. This was the first time since before Covid that we have been able to hold the training in person! It was so encouraging to be able to spend time with friends we haven't seen in a while and worship together while growing in our individual walks with Christ. The following week, Brent headed to Aruba with Mark Hall (WOL Regional Director for English-speaking islands in the Caribbean) to train leaders there. It was a wonderful trip where great relationships were formed. In the beginning of September, we were able to host Ramon & Lavinia Ibanez (and their 2 boys, Liam and Axel) in our home. They are WOL Missionaries in Puerto Rico (where Brent and Trinity were in July). While they were here, we met with local Pastors and churches to share about the ministry in Puerto Rico. On September 10, we helped run a FASCAR event at Bible Baptist in Wilton. We had about 70 racers of all ages! When the Gospel was clearly presented, we had several that indicated they wanted to start a relationship with Jesus. On October 1st, Seddon Baptist put on a youth event in their community with a traveling music team from the Bible Institute. Brent was able to share the Gospel and several students indicated that they had trusted Christ. It never gets old!

## Upcoming Events

### REVERB

November 11- Jacksonville, FL

Brent will be presenting the Gospel to the students in attendance

November 18- Atlanta, GA

Our Southeast team will be organizing and staffing this event

### Mid-Year Conference

January 14th

On January 14th, our Southeast missionary team will host our Mid-year leadership development conference. We will host this conference at several locations around the region. During the conference, attendees will be virtually connected to the other locations as they learn together.

November is "Reverb season" within WOL! On the 11th, Brent will be sharing the Gospel at our Jacksonville Reverb. We like to involve our kids when we can, so we were able to use accumulated airline miles for Boaz to be able to travel with Brent for this event. They are both looking forward to it!

On November 18th, our Southeast team will help to administrate, organize and staff our region's Reverb, coordinated by Scott Gentry. Please pray for all of the Reverbs taking place across the country- that the Holy Spirit would begin now to prick hearts and draw students to Himself and that the Gospel would be clearly communicated.

Our team is gearing up to begin coordinating and organizing our mid-year conference that will take place in January. Please pray for us- that we would choose topics/seminars that would most benefit the leaders who will be in attendance.

In Mid-January, Brent will travel to Florida to head up a writing team- this will be the team's first time meeting together. Please pray as the team members are preparing their lessons.

Our team is working on developing a new training course for youth ministry directors. Also, we are re-tooling some resources for our missionaries to use during training.

# What's Around The Corner?

## Family News

This year in school, we have a Junior, a Sophomore, an 8th grader and a 5th grader. We still attend a weekly co-op that we really enjoy. This semester, Stacy is teaching Middle School Chemistry & General Science. In September, the family celebrated Mercy's 11th birthday with bowling, laser tag and arcade games (her request!). Trinity is continuing to grow as she learns how to drive. She says it's "not as fun" as she thought it would be...haha. Last week, Justus started a job at a local grocery store in our town. He is enjoying it so far! Boaz is really looking forward to traveling to Jacksonville with Brent in November and Justus & Trinity are looking forward to going on a missions trip together next summer, Lord willing. We will be sharing more about that in the coming months!

### SUNDAY

Pray for Brent as he speaks in churches  
November 6th, 13th, 20th, 27th

### MONDAY

Pray for our weekly Southeast staff meeting

### TUESDAY

Pray for our weekly college Bible study that meets in our home

### WENESDAY

Pray for leadership teams that are holding their mid-week youth meetings

### THURSDAY

Pray for innovation as we look at re-tooling our leadership training

### FRIDAY

Pray for our family as we spend time together

### SATURDAY

Pray for families to put a priority on assembling together as they make their Sunday plans

## Prayer Requests
