bringing the Gospel to the Deaf in **ECUADOR & PERU**

MARCH 2023

Dear Brethren in Christ and friends,

"The Lord thundered from heaven, and the most High uttered his voice" 2 Samuel 22:14. It is comforting to remember God's greatness.

Peru has been hit by a cyclone. On the coastal area and the jungle the pouring rains have been consistent; therefore, many areas are flooded, causing destruction. Many people have lost their houses, crops, cattle, etc. Thank you for praying for this situation.

Thank the Lord for the opportunity to go back to Ecuador for our first National Deaf Bible Conference. We were blessed to see and fellowship with many deaf and hearing people we ministered through the years in different cities in Ecuador. Many of our former deaf students we helped raise were at the Conference and expressed their love and appreciation for the work of the Lord in their lives, giving them the opportunity to learn how to communicate, attend school, and best of all, they all heard the precious good news of salvation in Jesus. The Lord touched our hearts in a great way. Serving the Lord is our greatest honor. Glory to God!

God is using Pastor Dennis Melgar and his family in a wonderful way. What a blessing to see him and the church people continue with the work of the Lord among the deaf and hearing people of Ecuador. I was also asked to preach for the high school graduation of Jary and Tyrone whom the Lord gave us the joy to minister for many years. We also visited our church in Portoviejo to preach and be with our precious people who continue with the work there along with Pastor Michael Lanchang.

Back in Peru, we went to Pichanaki to check out what is available in housing and a place to start the new church and school. The Lord allowed us to contact with some deaf people and their families. We had the joy of leading three people to the Lord. Please pray the Lord will show us what He wants us to rent.

We are in Lima for doctors' appointments for some concerns we have. Thank the Lord, so far we have had good reports. We are also doing paperwork to get my residence Peruvian visa. We do not know how long that will take. Thank the Lord we have someone helping us.

Because of the floods and landslides, some roads have been damaged. Part of the road that leads to Pichanki is blocked. We cannot wait to start our next "missionary adventure" in Pichanaki and other small cities in that jungle area. Please pray for the salvation of souls wherever the Lord will take us in the Central Peruvian jungle.

We would like to thank everyone who is involved with us in reaching deaf and hearing people for Christ. Please continue to pray and give.

Serving our King,
