

SMITH NEWS

December, 2023

A special thanks!

As the year comes to an end, we want to say a big thanks to all of our support team for the years of prayers and backing so we can do what we love. May God bless each and every one of you!

Health update

Both of us continue to see doctors and get up to date on our health needs. Roger is running tests because of his fatigue symptoms and other issues. We would appreciate continued prayers for this.

Our new addresses:

As we shared in our last prayer letter, we were able to purchase a house in Florida. We did forget to give you the address, so here goes: **Roger and Marcy Smith, 3537 Meteor Pl. Valrico, FL 33594.** Please update your records. Also we now have a new email with the mission: **roger.smith@abwego.org** It should substitute the old **rogmarcy@abwe.cc**. Please update this as well.

Merry Christmas!

Marcy and I would like to wish all a very Merry Christmas and trust your end of year has been a great time celebrating our precious Savior and Lord, as well as spending time with family. We are so happy to be near some of our family this year.

We had the good news from the field that a Brazilian couple from South Brazil has accepted to move to Arcoverde to help David and Sarah Carrel with the church and outreach ministries. This was a big answer to prayers. Their names are **Stephan and Julia**. Please put them on your prayer list as they move and make adjustments.

The new auditorium in Arcoverde is now being used for services weekly. They are raising funds for flooring and other finishing touches. We hope to go next year for an official inauguration. It has been encouraging to see ministries we were involved in and even leading going forward full steam. Love, **Roger and Marcy**
