

BRUCE AND LAURA EDGAR MISSIONARIES TO NICARAGUA

Ministry Update

March 2024

Thank you for pausing God with us for what He is doing and for praying with us for the people and ministries represented in the requests. We are grateful for your partnership through prayer!

Praises:

- **Praise the Lord for a great week with the IRCS team.** They were a wonderful, flexible group of students. We got to partner with 11 church plants in a program with fun activities for kids/youth. A particular highlight was the time they had in small groups to share their photo books as well as give testimonies and share the gospel.
- **Praise the Lord for a great first session of ICP Honduras.** It was a great group of men that were very receptive and excited about the program. It was a real joy to share church planting strategies with pastors and new church planters that have a vision for church planting.

Prayer Requests:

- **Please pray as we travel to the US** for a short time to visit several of our supporting churches and individuals to share what the Lord has been doing in Nicaragua and the CAM region.
- **If you would like to schedule a visit or a personal update** you can do so on the [Furlough 2024](#) page.
- **Please pray for the missionaries** on our different field teams as they each face unique challenges.
- **Please pray for our Nicaraguan partners** traveling to Honduras March 10-12 to teach ICP classes.
- **Please pray for the Managua and Sebaco ICP** classes that will continue this month.
