Hot Wheel Cars, Legos & the Gospel

We had an awesome Fascar Rally in Colville Washington on March 6th. It was 1.5 hours of high energy activity & fun. But the best part is always getting the Gospel out to children and their parents. That's right some of their parents stay and hear it too.

At this Fascar Rally we used Legos to get the Gospel out to about 80 children in Colville Washington. We put the words of the Gospel on individual giant Legos. Six children raced to put the Gospel phrases in the right order as their friends cheered them on. Then we presented each point of the Gospel to all of the children. When we asked who wanted to believe the Gospel and ask Jesus Christ to forgive their sins and save their soul, 19 of them said they prayed to God and asked him to save their souls.

One huge highlight for me (Steve) was when a little girl with blue hair came up to me and said, thank you for coming here and telling me about Jesus. Isn't that awesome!

Please rejoice with us!
