Dear Partners,

Thank you for praying for the Honduras trip, where Bruce Edgar and I helped the Nicaraguan Institute

of Church Planters launch a new school. It was just plain fun to meet with 9 pastors and 11 church planters filled with vision to multiply church-planting churches across southern Honduras. What a blessing to see these pastors working together across borders to build the Kingdom of God!

Last night I finished teaching an exciting 6-week Zoom class with 6 young men eager to deepen their understanding of God's Word. There are more students interested in forming another class, so let me know if you would like to join us for an evening class of How to Study the Bible!

We leave now with a team from First Baptist Church of DuBois to minister in a republic in Eastern Europe. This will be interesting because our visit will coincide with the Muslim feast of Ramadan. Our aim is to encourage workers in that very challenging situation.

Diane and I will then go to Athens, Greece, where we will reconnect with our partners there, and I will be teaching a course on Inductive Bible Study at the Greek Bible College. From Athens we will pop over to Cyprus to meet our OTHER set of grandtwins, Danae and Evie (Evangelina). Big brother Micah is anxious to introduce us to them!

We are so grateful to God for how He keeps expanding our ministry, and especially praise the Lord for an increase in support from Tri-County Baptist Church in Lady Lake, FL.

We re-echo these prayer requests from our beloved partners in the Middle East:

- Pray for open doors for outreach and opportunities to share the gospel effectively, and for hearts to be receptive to the gospel message and for lives to be transformed by the power of the Holy Spirit.
- Pray for courage and boldness for Muslim background believers to step out in faith and share the love of Christ.

Thank you again for partnering with us in this effort through your prayers and giving!

Mark and Diane
