## Local Church Ministries

June 2, 2024

Olympian Games for Children is a Gospel Outreach event. We have been doing them in local churches for more than forty years. On Saturday June 1, we reached out again with this event. It was at Grace Bible Church in Colville Washington.

There were 17 different games designed for individual involvement and competition. The children play as many games as they can for 1 hour. Then we bring them together to give them a dynamic presentation of the Gospel. There were about 40 kids that heard the Gospel at this event.

If you were there you would have sensed their eager anticipation to hear what we had to tell them. These Gospel events are carefully planned and executed so that the children enjoy them. This is what helps us get their attention. They are willing to listen. It makes them interested in what we have to say. We are thrilled to tell you that six of those children understood the Gospel and believed it. Then each made a public profession of their faith. They were counseled and encouraged in their new life in Christ. Thank you for giving and praying.

On the Victory Side,

Steve & Susan
