## Local Church Ministries

July 20, 2024

We partnered with CityWalk Church to offer a 5-day Sports Camp to the Yuba Sutter communities in two neighborhood locations. One was in Marysville & the other was Yuba City. We offered instructions, practical drills & scrimmages in several sports for three hours a day for 5 days. We had over 100 staff which included coaches, team leaders, hospitality & security personnel. It was an exceptional week of reaching out to these communities. Many of you have been praying for these outreach events. Thank you for praying! The Gospel went out to 240 elementary age children this week. They eagerly listen to it. If you would have been there, you would have sensed that God's Holy Spirit was making Jesus real to scores of these children. Please rejoice with us. When we gave them the opportunity to trust in Jesus Christ to save their soul, 60 of them did.

Please continue to pray for us. We are doing it again next week in Willows California.

Thank you for giving and praying.

On the Victory Side,

Steve & Susan
